# ISOLS & MSTS

In October 2015, the International Society of Limb Salvage (ISOLS) and the Musculoskeletal Tumor Society (MSTS) will be holding a combined meeting of their organizations.

**It is anticipated that up to 800 of the United States and world leaders in the field of orthopedic oncology will convene for this meeting to exchange cutting edge ideas, discoveries, implant designs and outcomes.**

The mix of attendees will likely be 2/3 international and 1/3 from the United States. More than half of the attendees will be attending orthopedic surgeons. Most of the worldwide leaders in the field of orthopedic oncology attend this meeting.

The meeting spans over five days and is being hosted at the spectacular convention venue at the Ritz-Carlton Orlando, Grande Lakes and the JW Marriot Grande Lakes properties. There will be attractive space and ample time for interaction with the attendees.

The meeting also has several social events that are conducive to networking. We welcome your attendance and sponsorship and look forward to having a great and very productive meeting.

Nothing can be posted, nailed, screwed or otherwise attached to columns, floors, furniture or other areas of the hotel. Only professionally printed signs are allowed for display. Exhibitors who prefer to use their own professional displays rather than tabletop displays should contact staff directly for details at [info@msts.org](mailto:info@msts.org).
